A Word from Pastor Charlie

Courageous Movie Night

This Sunday night we will be showing the movie *Courageous* at 5:30pm in the sanctuary. I want to personally invite you and encourage you to bring friends and family with you. If you have seen it already, I hope you will still come, as this movie speaks to the heart of real issues we are facing in society, especially in the areas of weak male leadership. We cannot be reminded enough of the importance of the family unit and our responsibility to nurture and lead our children as well as other children who are in need of godly influence.

There will be an alternate movie for children in the fellowship hall as well as childcare provided for pre-school and down. Please join us Sunday night as well as invite others to come with you to hear this powerful message.

For His glory and your joy,
Pastor Charlie

Mid-Week Study

Are you looking for a place to study & grow? That place is the Mid-Week Study, a pastor-led time of study and discussion that meets on Wednesday nights at 6:00pm in the Ministry Center. Please come and join us.

Time to Worship

In order to insure a better worship experience, we ask that you please remember to turn cell phones to silent and once the service begins, refrain from unnecessary movement so you don't disturb those around you. Also, while we encourage & are excited about family worship together, we do request that if your child becomes upset or a distraction, please be aware that we have excellent childcare in our nursery at the south end of the education building.

Upcoming Events

New System for Tracking Attendance

As of January 1st, we have switched to a computer check-in system for our children. When a family or child comes into our building, they will stop by one of our check-in kiosks and check themselves into their small group and/or Kid's church. When they check in, a nametag will be printed that includes a security code, their name, their parent's name, and what sessions they are attending for the day. We believe that this will help keep better track of attendance and make the jobs of the small group leaders easier.

Video Team Training

If you would be interested in being on a rotation to help in the sound booth on Sunday mornings, please meet with Glen Chapman on Sunday afternoon, January 22nd at 3:30pm in the Worship Center. Glen will give training on the equipment and you will see just how God might use you in this field.

Family Movie Night

Sunday Night - January 22 at 5:30pm
We will be showing the movie "Courageous". There will be an alternative movie for kids, pre K & up in Fellowship Hall.

Men's Ministry 2012 Planning Meeting

Sunday - January 29, 2012 - 8:00am - 9:00am in FH

Family Worship Service

We believe that it is an awesome experience for families to worship God together! So on January 29, during our 11am service, we are having a special worship service set aside for families to worship together. On this day there will be no Kid's Church but the service will be designed to engage people of all ages from the songs we sing to the message that is preached. Please plan on being present for this special day!

Committee Kick-Off!
