

Our small groups exist to provide a place for people to **experience** biblical community, **engage** biblical truth and **execute** God's mission.

Getting Started

At FBCER we believe that being a part of a small group of disciples is an important element of a person's spiritual journey. Meeting regularly with other disciples will give you the opportunity to grow and become who God wants you to be.

This brochure is full of all the many different small group options you and your family can plug into at FBCER.

We offer small groups for all age groups each Sunday at 9:30am & 11:00am. (There is a limited number of groups for adults gathering at 8:30am.)

Pray through the groups listed in this brochure and ask God where you should go. Once you know where God is leading you, you can sign up for your group by going to www.fbcelreno.com/connect or by filling out a "Sign-up" form.

Curriculum Defined

The Gospel Project

The Gospel Project is a curriculum published by Lifeway Christian Resources. The Gospel Project is unique as it traces every story in the Bible back to the redemptive story of Christ. It is designed to help us understand that the Bible is not a collection of stories. It is one story of God's plan to rescue His people from sin and death. It is the story of redemption; the gospel message of Jesus Christ.

The Gospel Project has a version designed for Preschoolers, Kids, Students and Adults. All age groups of the people using the Gospel Project will journey chronologically through the bible.

Where we use it:

- All of our Kids small groups
- Some of our Adult small groups
