FAQ'S

▪ Will my student need any extra money?

Extra money is optional. The registration fee will cover all expenses for your student during the weekend. There may be an opportunity for students to purchase from a concession stand at our fun activity on Saturday. Other than that additional money won't be needed.

▪ Where will my student be spending the night?

Church members, that we know and trust, willingly open up their home to allow a group of students come stay the night. We place the students in the homes in gender specific and age specific groups. Students will normally sleep on the floor.

▪ What does my student need to bring?

This is only a 24 hour event so students do not need to bring a ton of things. Below is a list of the essentials.

- A change of clothes for Saturday. Think casual and comfortable.
- Bedding. Sleeping bag, blankets, pillow, etc.
- Needed toiletries. Whatever you will need to get ready for a day. (toothbrush & deodorant are highly encouraged)
- A Bible and supplies to take notes.
- A willing spirit and teachable mind.
