

Spring Break Mission Staycation

When?

- March 18-20. Monday, Tuesday & Wednesday of Spring Break.
- This will be a day trip. We will begin at the church at 9am and finish up at 5:30pm.

How much does it cost?

- \$10 per student
- All required expenses will be covered. There might a possibility where your student has possibility to buy something extra but other than that extra money is not necessary.

Why?

- We are called to be involved with missions and we don't have travel several hours in a bus to be a part. We can do missions right here in El Reno.
- By staying local we are able to keep the cost of our trip very minimal. This will hopefully allow more people to be involved.

What do I bring?

- A willing spirit that is ready to work
- You need to wear clothes that you don't mind getting dirty and are durable and comfortable.

What projects will we be doing?

- **Monday.** We are hoping to partner with God's Helping Hands Church or the City of El Reno and do some type of physical restoration project.
- **Tuesday.** We will travel to Cherokee, OK and work at Northwest Oklahoma Child Feeding Centers. We will be making boxes of food to be sent to people that really need it.
- **Wednesday.** We will be canvassing El Reno homes with door hangers that invite them to join us on Easter Sunday.

Will we have any fun?

- Yes! Even though we will be working hard you will have fun while you serve the Lord together.
- On Wednesday afternoon we will reward all the hard work with a fun activity.

Who can I contact in case of emergency?

Tyler: 405-650-6244 or **Derek:** 405-213-5057
