

Our small groups provide a place for people to be in biblical **community**, be **changed** by God's Word and **care** for one another.

## **Getting Started**

At FBCER we believe that being a part of a small group of disciples is an important element of a person's spiritual journey. Meeting regularly with other disciples will give you the opportunity to grow and become who God wants you to be.

This brochure is full of all the many different small group options you and your family can plug into at FBCER.

We offer small groups for all age groups each Sunday at 9:00am & 10:30am. We offer small groups for adults on Wednesdays at 6:30pm and offsite during the week.

Pray through the groups listed in this brochure and ask God where you should go. Once you know where God is leading you, you can sign up for your group by going to [www.fbcelreno.com/grow](http://www.fbcelreno.com/grow) or by filling out a "Grow" form.

## **Babies & Preschool**

## Sermon Discussion

Instead of learning something completely different from what is preached in the small groups we are now starting to have some groups that discuss and apply the biblical text from the sermon. We are excited about rolling this out with more of our groups and seeing how God uses it in the life of our church.

## The Gospel Project

The Gospel Project is a curriculum published by Lifeway Christian Resources. The Gospel Project is unique as it traces every story in the Bible back to the redemptive story of Christ. It is designed to help us understand that the Bible is not a collection of stories. It is one story of God's plan to rescue His people from sin and death. It is the story of redemption; the gospel message of Jesus Christ.

The Gospel Project has a version designed for Preschoolers, Kids, Students and Adults. All age groups of the people using the Gospel Project will journey chronologically through the bible.
